- The school calendar
- The school website
- Blue Gum Montessori Smart phone app (free download from Apple or Google Play Store)
- Class notice board
- In your child’s bag
- Notice board outside the Office
- Family Pigeon holes outside the Office

Being a Parent at Blue Gum Montessori School
How to be part of the Blue Gum Montessori School as a parent?

The children love to have their parents as visitors to their school.

The staff welcome parents’ interest in the work the children are doing and how it all happens. Your input is valuable and vital to providing the best possible opportunities to your child.

Parents naturally want to give their children the best and very often the best is to let the child be, to experience the carefully prepared environment and take advantage of it in their own time.

Sometimes it is difficult to know how to join in. The biggest contribution a parent can make to a child’s formal education is to be a role model of learning; a role model of a community member; to be an enthusiastic supporter and partner of the child’s life at the school.

The School provides many opportunities for parents to be involved without inhibiting their child’s school life.
