Feedback and Complaints Process

We welcome your feedback and encourage you to fill out a feedback form if you have not already spoken to the person closest to your concern. (Please refer to the Feedback form).

If you feel your feedback has not resolved your concern, then a complaint can be made in writing to the person or their manager. (Please refer to the Complaints and Concerns Leaflet).

In the best interests of our community of learners, we will make every effort to resolve your concern for the betterment of our wonderful school.

Kind regards

Dr Maree Matthews.
